# The Story Behind “HUVAN”

“HUVAN” Nakaiy is known to bring calm seas and blue skies.

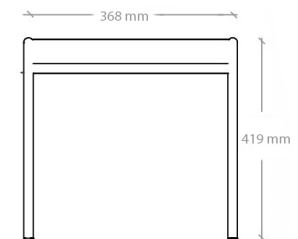

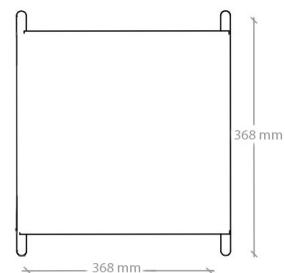

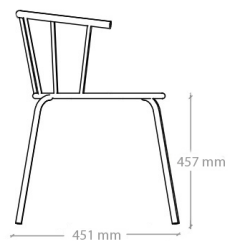

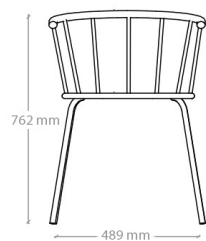

A decorative graphic of a light blue leaf with multiple pointed lobes, positioned in the lower right corner of the text area.

“HUVAN” is one of the nine constellation of Iruvai monsoon in Maldives. Constellations are known as Nakaiy, in which the weather patterns, as well as the lifestyle of Maldivians are determined by. It is believed that the constellations are still used to determine the best times to fish, travel or cultivate crops
